

Cranmore grapevine

Please keep hunting for our bunting!!

Strawberry Line WI are looking for their lost bunting!

This bunting was lovingly handmade in preparation for the Cranmore Diamond Jubilee celebrations in 2012 .

It has gone missing from the village hall and we would be very grateful if anyone should shed light on its whereabouts as we are keen to find it in time for the Cranmore fete this summer.

Please contact Cobi on 01749 880934 if you have any ideas.

Thank yous

Garth and Rosemary would like to thank everyone for their concern and good wishes during the last, almost four months, during which Garth spent six weeks in the RUH and from the 1st April until last week in Shepton Community Hospital. It was very helpful to me to know that so many people were thinking of us. Thank you all.

He is now getting stronger by the day and hopefully will be out and about in a wheel chair soon.

Rosemary would also like to wish Garth a very happy 80th birthday on June 16th with her love and love from all the family.

Thank you to the Cranmore community group for the gift and best wishes they sent to me after my recent operation.
