All Councillors have had an opportunity to consider the plans for the above-mentioned application and after much consideration it was proposed by GB that the application be approved which was seconded by AC. A vote was taken which was unanimously in favour of approving the application on the basis that it will improve the appearance of the building. However in the response to Mendip District Council planning department we will request that during work on the development, loading and unloading should be sympathetic to the local residents. Also contrary to the application the Parish council can confirm that there is currently no mains sewerage system in Dean.
